**2017.59 360° Panoramic Views of the Village Hall interior and Garden**

The Clerk has been consulting with Ian Wilde of Video Drone Services ([www.videodroneservices.co.uk](http://www.videodroneservices.co.uk)). For the Olney Centre he has produced a video tour of their facilities which is proving popular with prospective hirers.

He has proposed preparing a similar tour for Chelveston Village Hall. After discussion, the Clerk has scaled back this proposal to a more simplified version beginning with three panoramic views:

- (a) Inside the Hall
- (b) Inside the kitchen
- (c) In the back garden.

The cost of this will be less than £200.

The Trustees **RESOLVED by email** to accept this quotation and **AUTHORISED** the Clerk to engage the services of Video Drone Services.
