2023.18 Grant application to the Foulger Trust

The Clerk outlined presented a draft grant application to the Foulger Trust requesting a contribution to the cost of restoring the gable end chimney to its 1864 design. The application can be found here:

The 2023 costs of the project were £17,725 (excluding minor incidental costs) and a rent rebate of £1,735 was made to the tenant to compensate for the inconvenience and loss of amenity (they had no access to their driveway for 8 weeks).

The grant application is for £12,300, a 63% contribution to the costs.

It was unanimously **RESOLVED by the Trustees** to approve the submission of the grant application in January 2024.
